Subject - Digging of trenches for compost manure scheme, near Parasurama temple at Mangalam and sanction to the expenditure incurred therefor

In forwarding herewith in original, reports Nos I C 56/45-46 dated 2-10-45 and I C 56/45-46, dated 15-2-1946 received from the President, Town Municipal Council, Mangalam on the above subject, I have the honour to state that it is reported that prior to October 1945, the rubbish of the town was being heaped up in what is known as the Jogi Tope in trenches dug under compost scheme There were innumerable complaints from the public that this area was very near the river and it was therefore decided by the Municipal Council to shift it from the place and get fresh trenches dug in the Tope near Parasurama temple as per resolution dated 29-9-45 copy of which is enclosed It is stated that 40 trenches were dug at a cost of Rs 265-13-0 after duly calling for tenders, and an expenditure for Rs 265-13-0 was incurred by payment out of the closing balance

The sale of compost manure has brought a revenue of Rs 933/- during the year 44-45 and the sale for the year 45-46 is expected to bring a similar substantial sum also

It is stated that shifting had to be done very urgently in the interest of sanitation of the town and it was therefore done in anticipation of sanction It is further stated that as there were more urgent works to be provided for in the budget, no provision was made for this item in the budget of the current year and therefore the sum of Rs 265-13-0 was paid out of the closing balance of the current year

In the circumstances, I request you to be so good as to obtain approval of Government for the action taken by the Municipal Council in having incurred the expenditure of the above out of the closing balance in anticipation of sanction

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner
Mysore District
